We said we'd walk together, baby come what may

should I fall behind G
D
Wait for me

We swore we'd travel, darling side by side
we'd help each other, stay in stride Bm
But each lover's steps fall so differently G D
But I'll wait for you Bm
And if I should fall behind wait for me G D

Now everyone dreams of a love lasting and true G D
But you and I know what this world can do G Bm
So let's make our steps clear that the other may see G D
And I'll wait for you Bm
If I should fall behind G
D
Wait for me

Now there's a beautiful river in the valley ahead
There 'neath the oak's bough, soon we will be wed Bm
Should we lose each other in the shadow of the evenings trees G D
I'll wait for you Bm
and should i fall behind G
D
Wait for me
Darlin' I'll wait for you Bm
Should I fall behind G
D
Wait for me
